Does your firm have part-time/flex-time policies that permit attorneys (male or female) to work alternative schedules?

Yes

What impact, if any, will the decision to work part time have on an attorney's ability to make a partner, or if already a partner, to remain a partner at your firm?

Will not impact ability to become or remain partner; may impact the timeline at which the person will become a partner — but only after a significant period of time at part time status.

How many current equity partners have worked part time, exclusive of maternity/paternity leave or short-term disability?

[No response]
