ADVICE TO CANDIDATES

Advice

What advice do you have for candidates who are looking for a diverse and inclusive work environment? What questions should they ask when interviewing to help them assess the extent of a firm's commitment to diversity, equity, and inclusion?

Advice for candidates for a diverse and inclusive work environment:

- * Understand what your priorities are for your career and your personal development. Look to see how those priorities align with the firms and people you meet. Approach your interviews and discussions about employment with questions that will give you helpful information about this alignment.
- * Understand what makes you comfortable in a work environment. Prepare for your interviews with questions that will give you helpful information about the elements you need for that comfort.
- * Be skeptical and open. Hiring is a two-way process.

Questions to ask:

- *Do you have a mentorship program at the firm? How are mentors at the firm selected for new attorneys? Does the new attorney have a say in who is appointed or continues as mentor? Can you give me an example of a mentorship at the firm that was particularly successful?
- *To what extent is senior leadership at the firm involved in DEI initiatives at the firm? Can you give me an example of that involvement?
- *How do you prioritize social events that all employees are invited to take part in?
- *How do you foster an open, communicative environment for your employees?
- *What goals does the firm have surrounding diversity, equity and inclusion?
